Dear Tony,

Marty and I are hopeful we can adequately express our gratitude to you for all did to successfully market and sell our home.

*We both have extreme confidence in your abilities. With my past experience as a realtor, I know **FROM EXPERIENCE** that you used every marketing tool available.*

The need to sell our home combined with a move out of state proved to be a very stressful time for us. Tony you greatly eased our stress with your confidence, courtesy and real estate professionalism. These qualities will prove to be a huge asset in your real estate career.

Tony, job well done!

*Our Sincere Thanks,
Marty & Cindy Anderson
